Littleriverpta.org has a whole new look!

Over the past 6 months, we have been working with Tina Williams and Kate Burgman from InformedXP to develop a NEW PTA website. By transitioning from membership toolkit, we are able to save \$500/ year, and use that money instead for the students and staff at LRE. It is still a work in progress, but we are excited for the change.

THANK YOU to our LRE parent Tina for volunteering to help!

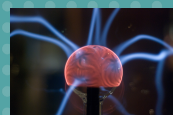

We have several volunteer opportunities for 2020!

Family Science Night is a great family event, and volunteers are needed to run the stations. Please see our website for details.

Are you interested in joining the PTA board? Please consider taking on a leadership role within the PTA!

FAMILY SCIENCE NIGHT

THE CHILDREN'S SCIENCE CENTER IS PRESENTING A FANTASTIC SCIENCE NIGHT FOR THE WHOLE FAMILY ON JANUARY 16, 2020 FROM 6-7:30PM. TRY DIFFERENT HANDS ON ACTIVITIES RELATED TO SCIENCE, TECHNOLOGY, ENGINEERING AND MATH!

Our 5th annual **Science and Engineering Fair**

is on March 20, 2020.

All entries must be submitted by the end of January. More information is available on our website.

What a great year!

Thank you for a Successful December!

These events are only possible with all of our amazing volunteers who planned, organized, and executed. Please consider volunteering at our future events.
