Outdoor Classroom Update

Thanks to your generous pledges from our Run the River event, work will begin in March to create a wonderful outdoor classroom for ALL LRE students to enjoy. Weather permitting, landscapers will clear out the existing courtyard in stage one, benches/ tables and an arbor will be installed, and new walkways will be created in phase two. All plants will be added when Spring arrives. We are so excited to create this space for All students to experience and learn in.

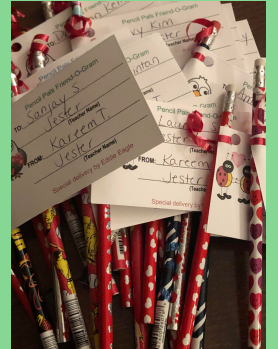

Thank you for a Successful FEBRUARY!

These events are only possible with all of our amazing volunteers who planned, organized, and executed. Please consider volunteering at our future events!

Many hands make light work!

- Indoor movie night featuring Abominable was an enjoyable evening, using the new projector the PTA purchased for the PE department last year!
- The **Fifth Grade Promotion committee** sold a record number of Pencil Pals for Valentines day! Thank you for supporting their promotion celebration!

Thank you for sending in Boxtops! Please continue to scan your receipts with the Boxtop App to earn money for LRE.

Build your Eddie at Reading Night
If you purchased an Eddie, please remember to join us at Literacy night at LRE on 3/12/20 to stuff. All students should have a reading buddy, and this Eddie is an excellent listener. There will be a limited number of Eddie's available for purchase if you did not preorder, \$15, cash only.
